

KS4 Success Pathways CHOICES – Pathway Four

Students should select a maximum of 4 subjects with 2 reserves:

Select **1** subject from column one below and **2** subjects from column two. In column 3 select 1 subject from each list, ensure to place them in **RANK ORDER** in the space below. You can also select **2** reserve subjects which may be used if your first preferences cannot be met.

While every effort will be made to place pupils in their chosen subjects, restrictions on class sizes and subject combinations may mean that some pupils may not secure their preferred subjects. Heads of departments will be consulted on class lists and data including winter/summer exam results will be used to determine your place in classes.

Should your subject choices not be what you have requested you and your parent/guardian will have the opportunity to discuss the matter with your Head or Year.

Choice 1:	_____
Choice 2:	_____
Choice 3:	_____
Choice 4:	_____
Reserves:	a) _____ b) _____

<p>Choose 1 from: Art & Design Drama French Geography HE: Child development HE: Food & Nutrition Music - Must play an instrument/sing Technology & Design</p>	<p>Choose 1: BTEC Sport OS Business & Services OS Technology & Innovation Preparation for adult life (PAL)</p> <p>Choose 1: OS Design & Creativity OCN RE Prince's Trust OS Performance Skills Personal success & well-being OS Patisserie</p>	<p>Choose 1 from: OCN RE OS Design & Creativity (IT) OS Patisserie Prince's Trust Personal success & Well-being</p> <p>Choose 1 from: OCN RE OS Design & Creativity (IT)</p> <p>Do not select subjects already chosen in the previous column.</p>
